

602 Late Model Sportsman Rules

We will run the CRUSA Rules with a few amendments below. **NO UNSEALED MOTORS**

Cars will run Crate 21s on the left rear and front. Crate 55 right rear or American Racer 56. The right rear tire you run in Qualifying will be marked and you will run it all night. In the event you have a flat a scuff a previously ran can replace it. Track officials must be notified before the right rear is removed, the replacement tire must be inspected and marked. Teams can have a spare marked for the feature in the event a flat occurs.
