Tracks may make-up Weekly Racing Series events by scheduling Double Feature/Make-Up events, but no Double Points races. Tracks wishing to schedule a Make-Up/Double Feature event MUST contact the Crate Racin' USA office by no later than 5 P.M. the Monday of the week that the event is to be ran. Failure to do so could result in your request for Make-Up event being denied.

The Series reserves the right to deny or approve Double/Make-Up Features to insure fairness to both competitors and fellow tracks/promoters. Series will make every effort possible to work as a liaison between all parties to ensure fairness and the best possible chance to make such an event successful.

Sanctioned tracks will NOT be allowed to schedule Double/Make-Up Feature events in the final two weeks of the Weekly Racing Series season.

Sanctioned tracks are required to enforce the technical and points procedure rules and regulations of the division as fairly and completely as possible.

The Series does not govern, dictate, or require a certain format for sanctioned speedways and how they determine heat or feature race lineups. This allows each track to do what works best for their area and customer. We do request that races are carried out with fairness in competition to each competitor. If there is cause for concern that races are being manipulated or setup with unfairness towards any competitors or area tracks, the series reserves the right to intervene and setup a reasonable solution/procedural program suitable for all parties.
